THE NEW 2013 FANTASY BASEBALL BLACK BOOK IS NOW AVAILABLE ON THE KINDLE STORE. <http://amzn.to/Wmf6yd> OR Click author LINK Joe Pisapia for 2013 Edition now!The Fantasy Baseball Black Book is your definitive guide to dominating your fantasy baseball league.Written by fantasy baseball expert Joe Pisapia , a two-decade veteran fantasy GM, columnist, podcaster and former editor of fantasy sports content for fanhuddle.com, the Black Book is the fundamental alternative to the stale content, recycled player rankings and glossy photos that dominate so many fantasy baseball sites and magazines.Pisapia outlines a comprehensive approach to planning, scouting, drafting and managing your fantasy team that addresses such topics as understanding your league format, draft strategy and evaluating players. He also introduces a revolutionary new statistical approach that helps simplify the measuring and comparison of fantasy player performance both within and across positions.The book contains practical advice on running your team season-long: evaluating trades, making offers, negotiating and scouting rookie talent, along with comprehensive player profiles for every position -- all of them updated for 2012.Whether youre new to fantasy baseball or a grizzled veteran looking for a leg up on the competition, the Black Book is the place to start.
