

## The Gospel Preached by the Deaf: Proceedings of a Conference about Deaf Liberation Theology held at the Faculty of Theology of the Catholic University ... May 19, 2003 (Annua Nuntia Lovaniensia)

This book contains the proceedings of a conference on Deaf Liberation Theology that took place at the Catholic University of Leuven. Four Deaf persons, rooted in the Deaf community and professionally involved in Deaf pastoral ministry, Thomas Coughlin (USA), Cyril Axelrod (South Africa), Peter McDonough (UK), and Beth Lockard (USA), relate their views on and experiences with shepherding Deaf communities as social-cultural minority groups within the hearing Church, and their efforts to enculturate the Christian message, which often looks so typically hearing in Deaf eyes, in Deaf cultures. Marcel Broesterhuizen, hearing, puts their reports against the background of the paradigm shifts that have taken place in the field of deafness and Catholic views on the relationship between Church and culture. Jacques Haers, hearing, discusses the presentations in the light of liberation theologies. The book contains a verbatim transcript of the forum discussion led by Helga Stevens, Deaf, who is actually a member of the Flemish Parliament.
