

Journey into the Whirlwind

Eugenia Ginzburgs critically acclaimed memoir of the harrowing eighteen years she spent in prisons and labor camps under Stalins rule. By the late 1930s, Eugenia Semyonovna Ginzburg had been a loyal and very active member of the Communist Party for many years. Yet like millions of others who suffered during Stalins reign of terror, she was arrested on trumped-up charges of being a Trotskyist terrorist and counter-revolutionary and sentenced to prison. With an amazing eye for detail, profound strength, and an indefatigable spirit, Ginzburg recounts the years, days, and minutes she endured in prisons and labor camps, including two years of solitary confinement. A classic account of survival, *Journey into the Whirlwind* is considered one of the most important documents of Stalins regime.
