

The Joy of Digital Photography (A Lark Photography Book)

Its guaranteed: this all-in-color, oversized, incredibly priced manual on digital photography will be a best seller. Author Jeff Wignall has already won a legion of fans with *The Joy of Photography*, and this new work will capitalize on that franchise. Wignall encourages photographers of all skill levels; his easy-to-grasp explanations of technique and equipment, and his inspirational attitude distinguish *The Joy of Digital Photography* from any other digital manual. Everything is covered: digital vision; digital tools (cameras, lenses, accessories); common problems and solutions; exposure and flash; working with light; handling weather seasons and mood; travel and landscape photography; portraiture; sports photography; post-production, including seeing, sharing, and storing digital images; basic desktop printing; the digital darkroom; a Photoshop primer; sharing the image; and much, much more.
