

Signing Naturally: Teachers Curriculum Guide - Level One (Vista Curriculum Series)

Part of the Vista Signing Naturally Series, the most popular and widely used sign language curriculum for teaching American Sign Language as a foreign/second language. Based on the functional-notational approach, almost every major university and college Sign Language program has adopted it as its official curriculum. This curriculum guide has twelve units and two cumulative reviews. Topics covered include: Introducing Oneself, Talking About Your Family; Telling About Activities, Making Requests, and Talking About Occupations.
