

# Identities: Book One (CHRONICLES OF 20TH CENTURY BARBADOS) (Volume 1)

Identities takes us where no man or woman has gone before in the discourse on society Barbados. This is both a conversation with and about Barbados; about its history, culture, strengths, weaknesses and prospects. Moving between the subjective and objective, the idiographic and nomethetic, these essays reveal a picture of Barbados from within and without, without being too pedantic or didactic. Ian Boxill, PhD, Senior Lecturer in Sociology University of the West Indies, Mona, Jamaica
