

Prisoners of Nazis : Accounts by American POWs in World War II

The Nazis called them Kriegsgefangen, a term that the prisoners of war shortened to Kriegie. The nickname hid the reality for the nearly seven million POWs who were placed in the German camps during World War II. These men consistently faced food shortages, medical needs were often ignored, barracks were barely heated, and personal hygiene was nearly impossible. Conditions depended on the soldiers who controlled the camp. Regular army guards might withhold clothing and food, but generally did not physically abuse the prisoners. The SS troops administered beatings, torture and murders. In this work, 19 POWs provide a vivid and often poignant look at their treatment by the Germans. The soldiers range from those captured in the D-Day invasion to B-17 crew members shot down during bombing raids.

Prisoners of Nazis : accounts by American POWs in World War II Paperback. Men in German Uniform: POWs in America during World War II (Legacies of War) Dr. Arnold Krammer, author of Nazi Prisoners of War in America.

Prisoners of Nazis : Accounts by American POWs in World War II During World War II, Nazi Germany engaged in a policy of deliberate maltreatment of Soviet prisoners of war (POWs), in contrast to their treatment of British and American POWs. This resulted in some 3.3 to 3.5 million deaths, or 57% of all Soviet POWs.
