

# The BIBLE of JESUS CHRIST

The BIBLE of JESUS CHRIST is the name of this book. But is the book poorly named? The book could have the title The Father or The Cosmic Structure or Mans Development. So why is the book titled, The BIBLE of JESUS CHRIST? If Jesus the Christ were alive today this is the book he would have written. This book is about The Father, the Cosmic Structure, and Mans development. However, there is much more; Jesus the Christ came into this world to provide the world with three baptisms and some general principles for living a good life. The general principles for living can be found in the verses of Jesus the Christ and five simple principles found in the appendices. This book contains the RED LETTER EDITION verses of Jesus from the King James Bible. This book also contains in the appendices the cosmic structure of the universe provided to the disciples by Jesus. Jesus presented to his disciples the Ineffable, The Father, the Region of the Light, the Treasury of the Five Trees, and the Mixture all revealed in the appendix text, diagrams and tables. The Ineffable is the World of God. The Father is the Prime Being responsible for humanitys development. The Region of the Light is humanitys home. The Five Trees in the Treasury is the home of the Holy Ghosts (humanity in the spirit) inside the Region of the Light. The Mixture of matter and Light is the developmental region for humanity when the Souls and physical bodies are used to gain experience upon this earth as avatars.
