

# Madaba Plains Project: The 1984 Season at Tell El-Umeiri and Vicinity and Subsequent Studies (Madaba Plains Project Series ; 1)

Twenty-three contributors present studies of food, water, geography, and hinterland sites providing the context for archaeological reports which consider stratigraphy, ceramics, and small finds. Included are 290 photos, 80 maps, 60 figures, 40 illustrations, and 25 pottery plates, as well as 25 of botanical summaries and 150 of locus summaries.
