

Makeup Tips for Teenagers

Makeup Tip for Teenagers is a little book that discusses facial cleansing, moisturizing to prepare for a makeup application, and the five minute rule that is essential for any young teenager to look fantastic every day!!! By following these simple steps, a young teenage girl can look her best each and every day and everyone else can see how beautiful that they are as well. Please note that the embedded videos can only be debuted on the e-book uploaded to Amazon. God bless!!!
