

## Mediated Utopias: From Literature to Cinema (Mediated Fictions)

The volume comprises adaptation studies of ten selected utopian/dystopian fictions written and filmed in Europe and America during the 20th and 21st centuries: *Things to Come*, *Lost Horizon*, *Nineteen Eighty-Four*, *Lord of the Flies*, *The Andromeda Nebula*, *Brave New World*, *Total Recall*, *The Secret Garden*, *Harrison Bergeron* and *Never Let Me Go*. It focuses not only on the ways of constructing fictional realities and techniques of rendering literary utopias/dystopias into film, but also on their cultural and political determinants.
