

Moving Forward with Literature Circles (Theory and practice)

There's no better way to deepen children's comprehension and appreciation of books than with literature circles. But let's face it, it's not always easy to plan, manage, and evaluate them until now. Whether you're starting from scratch or just looking for new ideas, *Moving Forward with Literature Circles* provides all the tools you need: guidelines, mini-lessons, booklists, checklists, and more to maintain a successful program in your classroom.
