

My Dad Is an Ironman

My Dad Is an Ironman is told in the voice of 9-year-old Jordan, a girl who loves to accompany her dad on bike rides and to the pool. She watches and encourages him as he trains for an Ironman triathlon and travels with him to watch him race. A dramatic and uplifting story of chasing a dream, and working hard to achieve a goal. The art by Coreen Steinbach is extraordinary. Ray Hoese lives in California and has authored everything from TV comedy and drama to nonfiction. He is an Ironman. Coreen Steinbach's art has won numerous awards. She runs the website www.runningart.com and is a nationally ranked masters runner.
