

# My Family Tree Notebook: A Family Tree Research Workbook

Family tree research requires a lot of notes and planning. This notebook is designed for just that. My Family Tree Notebook can be used for your research planning, notes you want to take, and research trips. You can record phone calls you have made and mail you have sent out or received. In the front of the book is a content section you can fill in to make looking for the notes you made easier. On the top of each page you will find a space for a title, Category, or Name that the notes are associated with. There is also a column for any important dates. You can even add a page number so that you can find a certain note or set of notes with ease.
