

## Worksheets plus NEW MyMathLab with Pearson eText for Thinking Mathematically with Integrated Review

Blitzers MyMathLab for Thinking Mathematically with Integrated Review is a new co-requisite course solution, offering a complete liberal arts MyMathLab course with integrated review of select topics from developmental algebra. This course provides the full suite of resources for Blitzers Thinking Mathematically, Fifth Edition, along with additional assignments and study aids for students who will benefit from remediation on developmental topics. Because this is a Ready to Go MyMathLab course, all assignments (both college-level and developmental review) are preassigned (instructors can edit at any time). Printed support resources, including the complete Thinking Mathematically, Fifth edition textbook, and Integrated Review Worksheets are also available. This package consists of an access kit for MyMathLab/MyStatLab (which includes the eText) plus worksheets.
