

## Odd One Out: The Mavericks Guide to Adult ADD

Adults with ADD struggle to fit into a world that doesn't always fit them. In the Indie Excellence Book Awards Finalist *Odd One Out: The Mavericks Guide to Adult ADD*, Jennifer Koretsky explores the ways in which Attention Deficit / Hyperactivity Disorder can be both challenging and rewarding, and reveals why this difference offers a remarkable advantage. Using her own personal experiences and inspiring stories from her clients, the author explores *The Five Essential Skills for Managing Adult ADD* -- from breaking the cycle of overwhelm to taking control of space and time. This revolutionary book doesn't just talk about the skills, it provides a roadmap to success. The author's unique voice and casual style make her a maverick who isn't afraid to tell it like it is. Packed with informative strategies and sprinkled with a healthy dose of humor, *Odd One Out* is an indispensable guide that offers not just solutions, but inspiration and motivation for adults with ADD who want to live happily and successfully by breaking the rules.
