

# Automated Marketing with Webbots

WATCH OUT!Side effects of reading this book include a sudden surge of self-esteem and unprecedented decisiveness in making marketing decisions. Also common are a lifetime addiction to web automation and web data scraping.After reading this book, if you spend more than 4 hours with web bots a day, call a therapist right away.Im sure youve wondered why your competitors books are selling better than yours. In a perfect world governed by meritocracy, your books would have been selling much better than your competitors. But Amazon is not that perfect world. Amazon is a jungle where the street-smart prevail and prosper.What if I tell you the key is marketing? Here we go again, you roll your eyes: Who hasnt heard that before? Tell me something I dont know.What if I tell you the key is marketing with web bots? Would I get your full attention?This book may just be the ultimate answer to questions that have been bothering you. I have no doubt it will put energy, wisdom and tangible result in your next book marketing move.
