

Award Winning Films: A Viewers Reference to 2700 Acclaimed Motion Pictures

The guide to the nearly 2,700 movies that have received at least one major award or festival prize, from the silent era through 1990. Each entry provides country of origin, year of release, length, format, production credits, cast, subject matter, sequels and remakes, alternate titles, awards won, and when appropriate, the Motion Picture Association of America (MPAA) rating. Memorable or award-winning features are discussed and a sampling of the contemporary criticism is given.
