

Hangover Wisdom, 100 Thoughts on Delivered from Distraction: Getting the Most Out of Life with Attention Deficit Disorder, from the Morning After

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of Delivered from Distraction: Getting the Most out of Life with Attention Deficit Disorder. Dont say we didnt warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Dont buy this book if: 1. You dont have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. Youve heard it all.
