

Ray Trolls Shocking Fish Tales: Fish, Romance, and Death in Pictures

First published in 1991 by Alaska Northwest, this book introduced a new audience to the often edgy, always observant and colorful fish art made semi-famous by the T-shirts and cards hauled out of the Northwest by fans of this Ketchikan artist. The mysteries of the deep, the strange, the hideous and the wonderful all appear on the canvas and in the words of this highly original, wacky work. Full-color throughout.
