

The College Writer: A Guide to Thinking, Writing, and Researching, 2009 MLA Update Edition (2009 MLA Update Editions)

Combining streamlined basic writing instruction with outstanding accessibility, THE COLLEGE WRITER is an all-in-one writing resource for students at any skill level. The clear visual format helps students grasp larger concepts by linking them to pertinent examples. Throughout the text, numerous student and professional writing samples highlight important features of academic writing--from voice to documentation--and offer models for students own papers. This edition also features new Cross-Curricular Connections that explain how particular modes of writing or types of research relate to a specific discipline in the college curriculum, preparing students for success across the academic spectrum.
