

# Walking Haunted London: Twenty-five Original Walks Exploring Londons Ghostly Past

Aimed at the most intrepid London visitors and residents, this spine-chilling walking guide wends its way through eerie and, in many cases, long-forgotten parts of England's capital city. From Deadmans Walk and the Screaming Wood to Dick Turpin and Jack the Ripper, professional tour guide and inveterate ghost hunter Richard Jones leaves no haunted house or lost soul unmentioned. Join him on a truly hair-raising journey through shadowed alleyways, sleepy pubs and the darkest recesses of London's historic homes - if you dare! Handsomely illustrated with atmospheric, full-colour illustrations and complete route maps - and with full details of transport, opening times and the moments when ghosts are most likely to appear - Walking Haunted London is yet another winning title in New Holland's best-selling Walking series.
