REAL goes beyond mere tactics and strategies to focus on the core of what really matters - You. With featured stories from Real Estates Thought Leaders including Marc Davison, Spencer Rascoff, Sherry Chris, Kristina Wise and many more. If building a real estate business that lasts is important to you - this is a book you surely wont want to miss! Build to Last What stalls most agents from building sustainable businesses is the misconception that getting from point A to objective B will require more energy, skill, and time than we have. So we revert to short-cuts. But the truth is big problems are rarely solved with big solutions, but by a sequence of small solutions, sometimes over weeks, months, years, and sometimes over decades. Its About YOU A minimalist approach to marketing How to serve from the inside out Why Habits are more vital than goals How to cycle your

energy and interest Why Authenticity matters more than Salesmanship Chase the Passion - Not the Money Why People - are your REAL portfolio Truth about Happiness and Money Health - Building a Sustainable You Practice - You are what you do Why Real Estate Craftsman will take over
