

Rex Is Not Your TV Show: An unauthorized, unofficial look at Rex Is Not Your Lawyer

An unauthorized and unofficial look at the development of the NBC-TV pilot Rex Is Not Your Lawyer (2010). From its acceptance by NBC in Spring 2007 its unremarked-upon rejection in Spring 2010, Rex Is Not Your Lawyer was a quirky concept about an anxiety-ridden lawyer that had to coach his clients to defend themselves in court. Fronted by a top-notch cast including David Tennant (Doctor Who), Jeffrey Tambor (Arrested Development), Jane Curtin (30 Rock) and Jerry OConnell (Sliders), media sources and fans alike had high hopes for the shows acceptance onto the NBC Fall schedule. However, in a season already packed with legal dramas, not all of them could earn the golden ticket of full-season production... and Rex was one that simply didnt make the cut.
