

Richmond Exam Practice Tests PET Students Book Pack

Exam Practice Tests will familiarise students with the form and layout that their Cambridge ESOL exam will take, while giving them vital practice of the language, skills and strategies they will need to do well on the day. Each book contains five full practice exams, including realistic visual material for the speaking paper section. Students can choose to take the practice tests either on paper or as mock computer-based tests on the accompanying CD-Rom. Key Features: Contains the audio material for all 5 listening papers in the Richmond FCE Practice Tests Book.
