

Richmond Vocabulary Builder B1 without Answers

The Richmond Vocabulary Builders are two brand-new vocabulary books for adults and young adults, for use at home or in class. Each book is divided into 50 easy-to-navigate double-page units which present and practise vocabulary in context and also help provide help with collocations and grammar patterns. The code in the back of every book provides access to the Richmond Learning Platform where students will find more practice activities and teachers can assign activities to their students and create print or online tests. Available with and without key.
