

## Families in Childrens Literature: A Resource Guide, Grades 4-8 (Through Childrens Literature)

Using quality childrens literature that presents families positively and promotes appreciation of family diversity, this book offers you a unique way to help students understand the common complexities of todays families. Books are grouped into four major categories-diverse family groups, family heritage and tradition, relationships within families, and family conflicts. Within these areas books are chosen for specific topics, ranging from Death in the Family to Homelessness. For each title there are questions for reflection and discussion and a target activity that reinforces the concepts presented in the book.
