

Seeking Gods Hidden Face: When God Seems Absent

Do you ever feel like God is playing hide-and-seek with you? Sometimes we pray and wait for God to answer, but nothing happens. We wonder what is happening. Is God withdrawing from us? Did we do something wrong? Do we need to pray more? do more Bible study? confess certain sins? When we face dry seasons, times of spiritual depression or a dark night of the soul, the answers can be hard to find. Friends may speak platitudes or accuse us of sin. Or we may simply feel that no one understands what we are going through. Cecil Murphey has been there. In Seeking Gods Hidden Face he openly shares his own journey out of darkness. He provides no easy answers, but he does offer comfort and encouragement. And, most important, he reminds us of who God is and how he promises to work in our lives. Believers who want answers that satisfy our deep longings will find encouragement and hope in these pages.
