

Reflections For Every Week

This book is essentially Catholic spiritually and teaching. The purpose is to instruct and improve the readers life. It is intended to help people become more acquainted with the Catholic life. It should be read prayerfully so the truths, especially the love of God for us, can become more sincere in the heart and mind. It touches on all areas of Catholic thought. Reflections is quite brief and to the point as Jesus was brief and very explicit. It follows the life and example and teaching of Jesus, our incarnate God.
