

## Soulman (Spanish Edition)

Desde su marcha poco amistosa de Barcelona y su aterrizaje mas que forzoso en Alicante. Su vida habia ido dando tumbos sin llegar a ninguna parte; aceptando casos que cualquier otro del gremio los hubiese rechazado sin pensarlo dos veces y que el aceptaba sin pestañar. Por lo que en el mundillo de los huelebraguetas se habia granjeado una fama mas que merecida de poco convencional tanto en sus formas como en sus metodos. En este caos personal y profesional encontramos a nuestro antiheroe Eduardo Mort, cuando un cliente llega a su desvencijado despacho y le suelta a bocajarro que quiere que le busque su sombra.
