

Spiritual Maturity: Principles of Spiritual Growth for Every Believer (Commitment To Spiritual Growth)

Spiritual maturity is not a level of growth Christians achieve, but the passion to press on in Christ. In these concise chapters J. Oswald Sanders explores the primary source of continual growth. As we embrace God's providence, hardship, and more, we can move from infancy toward the fruitful maturity we were created to enjoy. Now, this new edition of *Spiritual Maturity* includes a For Reflections section making it an ideal resource for both individual and group study.
