

Horizons Learning to Read: Fast Track A-B Textbook 3

Horizons is an innovative program for teaching reading that provides solid, systematic instruction using proven Direct Instruction techniques, updated with current research on beginning reading. A unique instructional sequence incorporates word attack, story reading, comprehension exercises, spelling and independent work on a daily basis to ensure success. Levels A, B, and Fast Track A-B build a solid foundation for fluency and comprehension by systematically teaching phonemic awareness and phonics. Fast Track C-D expands key decoding and vocabulary skills while developing higher order thinking and comprehension strategies.
