

Indigenous Women and Feminism: Politics, Activism, Culture (Women and Indigenous Studies Series)

Can the specific concerns of Indigenous women be addressed by mainstream feminism? *Indigenous Women and Feminism* proposes that a dynamic new line of inquiry - Indigenous feminism - is necessary to truly engage with the crucial issues of cultural identity, nationalism, and decolonization particular to Indigenous contexts. Through the lenses of politics, activism, and culture, this wide-ranging collection crosses disciplinary, national, academic, and activist boundaries to explore deeply the unique political and social positions of Indigenous women. A vital and sophisticated discussion, these timely essays will change the way we think about modern feminism and Indigenous women.
