

The Beatles in 100 Objects

From pre-Beatlemania instruments and outfits to the official announcement of the bands split, and beyond: here are 100 of the most famous or influential objects associated with the Fab Four. Authoritative commentary from distinguished rock music critic Brian Southall accompanies the photographs of each item, revealing its significance in the Beatles history whether its a special place, landmark moment, career-changing achievement, or just a curious day in the life.
