

The Cosmic Ballgame

They Shoot - They Score - They Conquer Death. Thousands of years ago, the mythical Hero Twins stole the heart of Blood Moon and the sacred count of days of Grandmother Time for use in their Cosmic Ballgame of Creation. The Hero Twins epic victory over the Lords of Death inspired the Mayan warrior tradition. These secrets lie hidden in plain view in the Popol Vuh, a sixteenth century text from Highland Guatemala. The lesson for us is that a Cosmic Ballgame of Creation also lies hidden within the symbols of baseball, football, and basketball. Like the aggressive ballgame mythology that served Mayan kings, our Cosmic Ballgame(s) of Creation serve an acquisitive, competitive, military culture. My hope is that the approaching completion of the current Mayan Long Count cycle around 21 December 2012 will afford us a unique opportunity to restore balance in the universal ballgame dance of life, death and rebirth -- for the benefit of all.
