

The Dogs Of C-Kennel: Fresh Fish

Not Just Another Dog Strip... Will, a street-wise pit bull, has found himself living in a concrete cell with a large lovable half-wit Husky and a Chihuahua hypochondriac. Join these three motley mutts and the rest of the colorful cast of inmates as they try to maintain their sanity in the west wing of a sprawling animal shelter. Whether reenacting Saving Private Ryan in a snowball fight, enjoying Fun with Shock Collars Friday or working on their ongoing wall tunneling project, stolen directly from Shawshank Redemption, this dysfunctional four-legged family shows us that life in lockdown can be cruel, harsh and usually hilarious!
