

# The Ephemeris Encyclopedia Galactica: Sector Forty-Four (Lomisian Space)

The exploration of Deep Space continues. Welcome to Sector Forty-Four, the home system of the Lomisians. Here you'll find their homeworld, and many of the worlds they've colonized. You'll also find worlds that have been taken from the Lomisians. Plus you'll find worlds that even the Lomisians avoid, and damaged systems that are a danger to all, but a challenge for the brave.
