

# The Four Most Effective Drugless Methods of Deliverance from Insomnia and Universal Method of Drugless Treatment for Depression, Chronic Fatigue Syndrome, other Neurological Diseases and Hypertension

The suggested drugless methods of deliverance from insomnia permit to get rid of dropping-off to sleep disorder (dyskoimesis, initial insomnia) by special energetic and esoteric ways that seems very humane since all soporifics have side effects, they promote appearance of both physical, and psychological dependences and their ability to provide dream reduces with time since an organism accustoms to the soporifics. Besides, frequent visits to a doctor with an aim to get prescription for new portion of soporific become unnecessary. As regards universal method of drugless treatment for depression, chronic fatigue syndrome, other neurological diseases and hypertension, it was created exclusively with intention to help to people suffering from depression, however, it proved to be enough universal that can be explained by that the offered method treats thanks just to the general rejuvenation of an organism. According to the authors opinion, even each healthy person should be engaged in this method for very effective prophylaxis every year two weeks, which are apart for approximately or exactly half a year for ten-fifteen minutes a day. As regards depression, it is considered as one of the most poignant and hard to cure diseases. Many humans sick of depression commit suicide.
