

Psalms Now

Celebrate the reality of God with the psalmists. What would the psalm writers say if they lived in our times? What words would they use to express their prayers? How would their songs reflect the same truth in a different age? Psalms/Now captures the meaning of the psalms for our time. Leslie Brandt restates, in today's language, the psalmists honest prayers of praise, sorrow, compassion, fatigue, love, and countless other emotions encountered by those who truly experience life.
