

The Managers Coaching Handbook (A Walk the Walk Handbook)

Will someone out there please develop a simple guide to improving employee performance for busy managers like us? Your colleagues spoke, we listened ... and here it is! The Managers Coaching Handbook provides managers, supervisors, and team leaders with simple, easy-to-follow guidelines for positively affecting employee performance. Within these pages you'll find practical strategies for dealing with superior performers, those with performance problems, and everyone in between. Looking for a bunch of long-winded theory? You won't find it here! We cut right to the chase and give you proven tools you can use immediately to make your job (and your life) easier
