

## The Menopause and M.E. (C.F.S.)

Are you worried about how the menopause will affect your ME/CFS? For many women with this condition the menopause is approached with a sense of worry and confusion. The list of symptoms for ME/CFS and the menopause are similar leaving women to wonder how it will affect their illness, their relationships and their lives. This book looks at how other sufferers have coped and what they feel has worked (or not worked) for them. Written by a fellow sufferer this book aims at women facing this natural stage of life while facing a challenging illness and hope that other womens experience can help them to be better prepared.
