

Volume VI: The Great and Most Abominable: The Prophetic Cleansing of the Mormon Church in America, the Promised Land (The Most Profound Near-Death Experience ... Americas Prophetic Cleansing! Book 6)

Volume VI of this Kindle Book Series (one of six volumes) is based on a profound Near Death Experience (NDE), which was preceded by three prophetic dreams. A mothers dreams of warning and promise were fulfilled when her ten year old son, Steven, was shot accidentally by his Dad. For the second time in his young life, an Angel preserved his life...During surgery, Steves body went into a coma, while his Soul left his body. He was greeted by a brilliant Angel and escorted to Heaven to communicate face-to-face with God for over three days. This is similar to the New Testaments Saul/Pauls experience or Alma the Younger of the Book of Mormon (a simple ancient American history of the other sheep the Resurrected Christ taught as given in John 10:16). This fascinating six-part collection, details divine truths, as taught by Christ, and exposes corruption, especially of the Mormon Church, to assist the cleansing of America. Each Volume contains an identical Introduction and Works Cited that pertains to all six volumes. We include the Prophet Daniels Time Line regarding this Millennium and the Years of Tribulation experienced today, along with foretold future events. With perfect memory of that life-changing event, everything that Steve was told by God during his profound NDE has happened, thus far. The chapters contained in Volume VI are entitled: Chapter 22 Evil use of Advanced Technologies By the World Elite HAARP, Chemtrails, Poisonous Pharmaceuticals: The Sledgehammer Approach Destroys Natural Immunities, Fluoridated/Chlorinated Water, and Genetically Modified Foods The Blue-Beam Project and Covering up Technologies with Alien Abduction HoaxesChapter 23 America Maintains its Greatness Based upon Repentance and ActionChapter 24 The Repentance. The Restoration. The Rebaptism. And The Rapture!A Proposal for the Betterment of

Mankind ProspectusThe Lord gave Steven and Karen a mission to expose corruption, primarily within the LDS Church (as seen in the practice and belief in polygamy, Masonry, suppression of women, elitism, racism, and the belief in many Gods), and to bring forth divine irrefutable truth to do much restoration (2 Nephi 3:24) to return to a pure Gospel of Christ. Karen, as a four year old, had the Heavens open to her when God showed Steven his future partner, equal to him. From that young age, she experienced a parallel life of spiritual events, many witnessed by others. Steve told others specific details about Karen, years before they met. Together, as one, they present truths to assist with the Cleansing of the Lords House, which involves America, the Promised Land. This book holds to the Law of Witnesses to establish truth. Every volume of this exciting series presents tradition-shattering truths that make sense and confirms Christs teachings. During this Fullness of Time, divine truth comes forth regarding: the identity of Godthe Eternal Father and our Redeemer, the Comings of Christ, the identity of Lucifer, the anti-Christ, the Rapture and the Cities of Peace. There is no religion in Heaven, only truth and it is pure truth, understood by the pure-in-heart that allows this earth to transcend into a higher dimension. God is about free agency and purity, not perfection or control. Knowing that men have perverted Gods truth for 6,000 years of Christian history, as evident by the suppression of women, we present genius insight on misunderstood and fulfilled prophecies and prophecies--yet to unfold. Its time to choose truth over tradition in this must-read millennial book! 71 pages
