

Charting a Course to Wellness: Creative Ways of Living with Heart Disease and Diabetes

The host of *Cooking Light* and the former *Galloping Gourmet* shares his secrets for healthy living. Part autobiography, part cookbook, part inspiration, this book shows how to create a healthy lifestyle and a new way of eating. Celebrity chef and world famous nutrition and healthy eating expert Graham Kerr and wife Treena describe their 33-year journey from an indulgent, destructive lifestyle to one that is healthy and healing, a change made necessary by Treena's heart attack and diabetes. Readers can use a food preference list to include foods they love in the recipes from the Kerr kitchen. There are 300 great-tasting fruit and vegetable recipes, and 180 recipes from Graham Kerr's highly popular public television show, *The Gathering Place*.
