

The Vogue Book of Blondes

A beautiful, stylish celebration of the cult of the blonde! If you've only one life, live it as a blonde! These are the immortal words of a Clairol ad, and they set the stage for Kathy Phillips' treatment of the world of the blonde, natural or dyed, past or present, male or female. Complete with a Blonde Bible and All you need to know about being blonde--a practical guide to blonding techniques--here are blondes of all shapes and sizes, from film stars, and rock babes, to sports heroes and catwalk queens. The Vogue Book of Blondes heralds the sex kittens of the 1930s such as Jean Harlow and Veronica Lake, peroxide pop stars including Blondie and Billy Idol, male sex symbols such as Robert Redford and Leonardo DiCaprio, and blonde icons, from Grace Kelly and Marilyn Monroe to Princess Diana and Madonna. This beautifully illustrated compendium features the work of world class photographers such as David Bailey, Mario Testino, and Herb Ritts. If it's true that blondes have more fun, then The Vogue Book of Blondes is a perfect gift for the blonde or aspiring blonde in your life.
