

Thinking About the Longstanding Problems of Virtue: Essays, A Play, Two Poems and a Prayer

A collection of writings from the Tony Award- and Pulitzer Prize-winning author of *Angels in America*. This volume by Tony Kushner features the play *Slavs!*, a comic, mordant and marvelously provocative look at the crumbling of the Soviet Union (*SF Chronicle*), as well as several essays, two poems and a prayer. Kushner is an intense and poetical writer, a great shaper of words. Laurie Winer, *LA Times* Tony Kushner is drunk on ideas, on language, on the possibility of changing the world. His talent and his heart and his head are incendiary, combustible, explosive, heartbreakingly vital and on-target. This extraordinary new compendium contains enough haunting notions to keep anyone who cares sleepless for eternity. I want everyone to read him and listen to him and, yes goddamnit, think about what he says. Larry Kramer *Terrific*: his riff on the political and the personal, the theater of the ridiculous and the theater of the fabulous, synthesizes humor and commitment into wisdom. Publishers Weekly Tony Kushners *Slavs!* just might be the best out-take of a Pulitzer Prize-winning play ever written. Greg Evans,
