

## Un viaje hacia la luz (A Journey Towards the Light) (Spanish Edition)

The body dies but the spirit is eternal. Life continues, but how and where? What happens after? This book narrates the experiences of five people as they die, as well as their later understanding of the meaning of life and death. In this transition, these characters receive help and guidance of Bob, a spirit who represents divine love and teaches them how to reach other levels of harmony. In these extraordinary, inspirational, and touching stories you will discover that true happiness resides in the understanding of the spirits eternal value.
