

The CAPM Exam: How to Pass on Your First Try (Test Prep series)

Designed for project managers looking to add the Project Management Institutes (PMI) Certified Associate in Project Management (CAPM) certification to their resume, this guidebook presents everything needed to pass the exam from glossaries of terms and definitions to professional testing advice. Test preparation topics, including complete explanations of all CAPM subjects, are accompanied by a breakdown of the processes, inputs, outputs, and techniques associated with this PMI certification. A final chapter packed with sample test questions is also included.
