

# Weekly Fantasy Football for Cash: My Strategies for DraftKings Fantasy Football Success

I love playing NFL fantasy football and when you add in the potential for cash prizes with minimal risk, then I love it even more. Fantasy football is an entertaining game of skill and strategy. If you hope to win then you have to approach it with a plan. As a recreational player I have been able to feed my competitive nature and earn cash money while doing so. In this guide I will share with you the strategies I use to put a couple extra bucks in my pocket each week playing fantasy football over at DraftKings. From choosing the right contests to drafting the right players, there is a method to the madness. Whether you are a recreational player like me or are looking to take your game up a notch, I am confident that the strategies I utilize in my game will help you in yours as well.
