widely used by treatment programs throughout the country.--Nicholas Taylor, Ph.D., Licensed Clinical Psychologist, National Expert on the Treatment of Methamphetamine Addiction
Joes book helps us to understand the addiction and recovery process. He combines a lifetime of personal and professional experience dealing with this issue in a practical and highly personal overview. The book is excellent. I wish I had read it a year ago.--Sheriff Joe Pelle, Boulder County, Colorado
As a recovering person myself, I found this book to be full of facts that will be useful in sharing with visitors having questions at our weekly meetings. I especially appreciate that Joe included the spiritual part of recovery, which may keep some in recovery focused on helping others. Most importantly, the underlying message that I read was anyone can recover, bringing hope to those seeking direction.--Vicki Beatty, Celebrate Recovery Leader/Covenant Chapel, Leawood, Kansas
This book will be valued by many, many people. A very meaningful gift of Gods grace to families who need sanity in the middle of their runaway insanity.--Mike Richards Jr., Director of Recovery Ministries/International Bible Society, Houston, Texas
This is a thoughtful and caring book written for the everyday person with an addicted loved one. It is very helpful when you are alone and desperately hoping your loved one is safe because he isnt home and you know he is out using again.--Karon W. (Concord, North Carolina)
The book is proving to be of great solace. I read all of my Al-Anon books, and attend meetings, and I have a wonderful church family, but this book presents some new thoughts to me. Your book is wonderful! It is as if you have been here in my home, observing.--Rosemary L. (Anderson, Indiana)
This book is gritty, honest, and full of practical tips, resources, and an Alcohol and Drug Addiction Self Test. I loved the myriad quotes sprinkled throughout from such diverse individuals as Mother Theresa, Winston Churchill, Mark Twain, Abraham Lincoln, and
