

The World Today, Study Guide: Concepts and Regions in Geography

Anyone interested in learning about geographic concepts will appreciate this concise book. The fourth edition presents authoritative content, currency, and outstanding cartography in a technology-rich package. Readers will learn about the most important concepts through a streamlined pedagogy. New coauthor Antoinette WinklerPrins also helps create a seamless integration of multimedia with traditional narrative. An engaging photo program and updated data help make The World Today an exciting book for any reader.
